Call for GIS Training, Internship & Dissertation Program

Organized by **GISTech Solutions, Trivandrum, Kerala**

Empowering Geospatial Skills for Future Careers

Gain hands-on experience in **GIS, Remote Sensing, and Geospatial Analysis** with expert-led training and live projects. This program is specially crafted for **M.Sc., M. Tech, B. Tech, and B.Sc.** students to bridge academic learning and practical application.

Program Highlights

- Software exposure: **QGIS, Google Earth Engine, Python for GIS**
- Project work in GIS related aspects of Earth sciences, Groundwater Management and conservation, Natural hazard and Urban Planning, LULC change analysis, Shoreline change, Flood Zonation mapping, Landslide zonation mapping, Groundwater quality, potential and recharge aspects. Morphometry, Morphotectonic evolution, Machine learning and related topics for the eligible subjects
- Industry-relevant training with certification
- Delivery Modes: **Offline**

Eligibility

Students pursuing or completed:

- M.Sc., M. Tech, B.Sc., BA., B. Tech, Ph.D. in GIS, Environmental Science, Geoinformatics, Geography, Geology, Civil Engineering, Earth Science, Computer science, Physics, Archaeology, Environmental sciences, Zoology, Botany, Linguistics, Economics, Politics.

Program Duration & Fee Structure

Category	Duration	Fee per Student	Extension Charges
Internship	1 week to 1 month (flexible)	₹3,000	NA
Dissertation	1 month (min) to 3 months	₹10,000 (for 1 month)	₹2,500 per additional month

Scholarships & Intake Details

At **GISTech Solutions**, we encourage academic excellence by offering **merit-based scholarships** to top-performing students enrolled in our GIS Internship and Dissertation Programs.

Scholarship Opportunities

- **1 Internship Candidate**
 - 50% Fee Waiver
 - **Scholarship Amount:** ₹1,500
- **1 Dissertation Candidate**
 - 50% Fee Waiver
 - **Scholarship Amount:** ₹5,000

Scholarships will be awarded based on:

- Academic merit (highest GPA/percentage in the current course or Previous course)
- **Scholarships based on academically top candidate for the programme:**
 - 1 slot for Internship student at 50% = ₹1,500
 - 1 slot for Dissertation student at 50% = ₹5,000
- **Total Intake:** 20 Students (10 Internship + 10 Dissertation)

Performance-Based Fee Waiver for Advanced GIS Training

At **GISTech Solutions**, we value dedication, curiosity, and hands-on excellence. To reward high-performing candidates, we offer a **50% fee waiver** for our **Advanced Level GIS Training** program based on the participant's **performance during the initial training or internship**.

Eligibility Criteria

- Active participation and consistent progress during basic training or internship
- Successful completion of assigned project tasks or assessments
- Demonstrated interest in continuing into advanced training modules

Benefits

- 50% reduction in the fee for advanced-level training programs
- Opportunity to work on **live GIS projects** and real-world datasets
- Priority consideration for research roles or collaborative projects

Selection Process

- Candidates will be evaluated at the end of their initial program

- Feedback from mentors and project evaluations will be considered
- Selected candidates will receive official communication with waiver details

Accommodation Facility

Shared accommodation will be arranged based on request for outstation participants:

- Subject to availability
- Nominal additional charges apply
- Request must be included at time of application

Printing & Documentation

- All reports must be **printed and bound externally**
- GISTech Solutions provides all digital datasets, maps, and files
- Final report production is student's responsibility

Certification

All participants will receive a **Certificate of Completion** and project report signed by mentors upon successful program completion.

Application Procedure for Internship/Dissertation

Apply through your **Department Head / Institution** by submitting (info@gistechsolutions.in):

- Formal Application Letter (Addressed to Director, GISTech Solutions)
- Copy of Valid College ID
- Preferred start date and program duration

Important Dates

- **Last Date to Apply: 10th May 2025**
 - ✓ Selections will be based on merit, project relevance, and Faculty recommendations.
 - Selected candidates will be notified by email through their respective institutions.

Payment Info

- **Full payment required at time of joining**
- UPI / Bank Transfer options will be shared after selection confirmation
